

# COLLEGE OF ARTS AND SCIENCES CURRICULUM

---

The College of Arts and Sciences offers bachelor of arts and bachelor of science degrees. Students earning either degree must complete one foreign language through the 102-level, and all students are encouraged to pursue a balanced program of study.

In addition, students earning a bachelor of arts degree must fulfill separate requirements for breadth and depth of study.

For the breadth requirement, students must complete at least 3 credits in each of the four CAS disciplinary areas other than the area of the student's major. These areas are fine arts, humanities, natural sciences and social sciences. A course taken to fulfill the CAS breadth requirement may not also be used to fulfill a UC requirement.

For the depth requirement, students must complete at least 9 credits within a single subject area other than that of the major. (A "subject area" is identified with a catalog subject code, such as PL, CJ, WS, MA, etc.)

A student enrolled in the Accelerated Dual-Degree BA/JD or BS/JD (3+3) program is exempt from these College of Arts and Sciences requirements, with the exception of the foreign language requirement. A student pursuing a double major is likewise exempt from these College of Arts and Sciences requirements, with the exception of the foreign language requirement.
