

CERTIFICATES

The Diversity, Equity, and Inclusion certificate (<http://catalog.qu.edu/arts-sciences/interdisciplinary-integrative-studies/certificates/ideal-certificate/>) is open to undergraduate students. The certificate encourages students to seek out opportunities to learn about the broad variety of human experiences. Although it is housed within the College of Arts and Sciences, all university students may complete the program. The curriculum encompasses a selection of courses that focus on people in societies who have been historically underrepresented and underprivileged. Current Quinnipiac students who complete these courses will earn a certificate that reflects the commitment they have made to diversifying their college curriculum.
