

BACHELOR OF ARTS IN CRIMINAL JUSTICE

Program Contact: Stephen McGuinn (Stephen.McGuinn@quinnipiac.edu) 203-582-8415

The criminal justice degree program offers students a comprehensive examination into law-breaking behavior, crime as a social phenomenon and methods of social control. Students complete coursework ranging from the evaluation of institutions of formal social control, such as policing, courts and corrections, to advocating for crime victims. The program places particular emphasis on experiential learning through its carefully structured internships and its community-based coursework. Upon successful degree completion, students are prepared to pursue advanced degrees (in a variety of areas including law school and social work) or assume careers in fields such as policing, corrections, law, social work, public administration, teaching, international peacekeeping and other areas of public policy related to crime, victimization and the administration of justice. Graduates who pursue careers outside the criminal justice field gain transferrable skills—critical thinking, problem identification, advanced oral and written communication—that are fundamental to success in any career.

Students majoring in Criminal Justice must meet the following requirements for graduation:

Code	Title	Credits
University Curriculum ¹		46
Modern Language Requirement		3-6
Criminal Justice Core Requirements		
CJ 101	Crime and Society	3
SO 101	Introduction to Sociology	3
CJ 205	From College to Career	1

CJ 370	Constitution, Ethics and Policing	
CJ 375	Family Violence	
CJ 394	Advanced Internship In the Community	
CJ 399	Independent Study in Criminal Justice ²	
Free Electives		16-19
Total Credits		102-108

¹ All students must complete the 46 credits of the University Curriculum (<http://catalog.qu.edu/academics/university-curriculum/>).

² May count as a crime typologies, criminal justice in practice or advanced elective option.

Upon completion of the program, students will demonstrate the following competencies:

- Diversity** – Students will recognize the influence that different forms of diversity have upon their worldview and how diversity impacts the criminal justice system.
- Scientific Literacy** – Students will be able to identify the steps of the scientific process, formulate scientific questions and distinguish between anecdotal and empirical evidence.
- Social Responsibility** – Students will understand how the criminal justice system functions as one part of the larger environmental system, and understand that its current format is not inevitable but the products of historical factors and the interconnectedness of individual actions and societal decisions.
- Communication** – Students will be able to argue a clearly defined position with civility, using credible evidence with appropriate citation of sources.
- Critical Thinking** – Students will understand multiple perspectives on significant crime-related topics and the importance of examining these from multiple perspectives and the significance of utilizing different data sources when examining these concepts. Basic disciplinary theory and terminology are applied.

Admission Requirements: College of Arts and Sciences

The requirements for admission into the undergraduate College of Arts and Sciences programs are the same as those for admission to Quinnipiac University.

Admission to the university is competitive, and applicants are expected to present a strong college prep program in high school. Prospective first-year students are strongly encouraged to file an application as early in the senior year as possible, and arrange to have first quarter grades sent from their high school counselor as soon as they are available.

For detailed admission requirements, including required documents, please visit the Admissions (<http://catalog.qu.edu/general-information/admissions/>) page of this catalog.

Transfer into the Criminal Justice Major

Seamless Transfer Agreement with Gateway Community College (GCC), Housatonic Community College (HCC) and Norwalk Community College (NCC)

Under this Transfer Agreement, GCC, HCC and NCC graduates will be guaranteed admission into a bachelor's degree program with third year (junior) status at Quinnipiac University on the condition that they:

- Graduate with an associate in arts, an associate in science in business, College of Technology engineering science, nursing or an allied health degree with a minimum cumulative GPA of 3.00 (this may be higher in specific programs).
- Satisfy all other Quinnipiac University transfer admission requirements and requirements for intended major.

Quinnipiac University agrees to accept the general education embedded in these associate degree programs in accordance with Quinnipiac preferred choices for general education as meeting all the requirements of its undergraduate general education except for the Integrative Capstone Experience and where courses are encumbered by the major (e.g., General Chemistry for the Disciplinary Inquiry Natural Science requirement for a Biochemistry major).

Suggested Transfer Curriculum for BA in Criminal Justice

A minimum of 60 credits is required for transfer into the BA in Criminal Justice program. If possible, it is recommended that students complete Introduction to Criminology, Introduction to Criminal Justice and Introduction to Sociology prior to transferring to Quinnipiac. Below is a recommended plan of study for the first two years prior to matriculation at Quinnipiac University.

Course	Title	Credits
First Year
