

MICRO-CREDENTIAL IN SCIENTIFIC AND TECHNICAL PUBLIC SPEAKING AND DATA PRESENTATION

Program Contact: Linda Iadarola (
linda.iadarola@quinnipiac.edu) 203-582-3337

This micro-credential is designed to teach students the skills they need to give professional scientific and technical presentations. To complete the micro-credential, students must take three courses: CAS 140, CAS 141, CAS 142. Upon completion of the three courses, students may also earn the Level III badge by creating and delivering an artifact to present at a professional meeting; QU, college, or departmental event; student organization; or at an internship or place of employment.

Code	Title	Credits
