

UNIVERSITY CURRICULUM AND COLLEGE OF ARTS AND SCIENCES REQUIREMENTS

The College of Arts and Sciences offers bachelor of arts and bachelor of science degrees. Students earning either degree must complete one foreign language through the 102-level, and all students are encouraged to pursue a balanced program of study.

In addition, students earning a bachelor of arts degree must fulfill separate requirements for breadth and depth of study. For the breadth requirement, students must complete at least 3 credits in each of the four CAS disciplinary areas other than the area of the student's major. These areas are fine arts, humanities, natural sciences and social sciences. For the depth requirement, students must complete at least 9 credits within a single subject area other than that of the major. (A "subject area" is identified with a catalog subject code, such as PL, CJ, WS, MA, etc.) A course taken to fulfill the CAS breadth requirement may not also be used to fulfill any UC requirement.

A student enrolled in the Dual-Degree BA/JD or BS/JD (3+3) program is exempt from these College of Arts and Sciences requirements, with the exception of the foreign language requirement. A student pursuing a double major is likewise exempt from these College of Arts and Sciences requirements, with the exception of the foreign language requirement.
