

FITNESS, LEISURE AND WELLNESS (FLW)

FLW 102. Yoga Yashtanga/Vinyasa. 1 Credit.

Through yoga, students learn to honor their bodies, quiet their minds and relieve stress and anxiety. Practicing yoga helps participants to bring peace and order into their busy lives.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 103. Introduction to Meditation. 1 Credit.

Modern neuroscience shows that what we do and think can change the physical structure of the brain—yet often this change occurs unconsciously, when we habitually react to stress in unhealthy ways. This course incorporates Neurosculpting®, a complete approach for consciously reshaping our brains for greater happiness, health, creativity and compassion. Students have a unique experience of meditation, mindfulness, diet and daily practices to help create positive, lasting changes in the brain—and in daily life.

Prerequisites: None

Offered: Every year, Fall

FLW 106. Fundamentals of Boxing. 1 Credit.

Basic offensive and defensive boxing skills are taught and practiced. Balance, movement and conditioning are stressed. Timed workouts include rope jumping, punching bags, shadow boxing and sparring. Final class may be held in actual boxing facility.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 109. Indoor Rock Climbing. 1 Credit.

This is a basic course in rock climbing, utilizing indoor climbing walls at an off-campus facility. Students are taught proper technique, safety and knots. They also learn how to purchase, use and maintain equipment. Course is offered off campus at Prime Club in Wallingford. Students must provide their own transportation.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 113. Beginning Golf. 1 Credit.

Students are introduced to the fundamentals of golf, including the use of irons, woods and putter, as well as rules of golf and course etiquette. A full set of clubs is provided. Course is taught off campus at Sleeping Giant Golf Course in Hamden. Students must provide their own transportation.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 115. Beginners Tennis. 1 Credit.

Students are introduced to the basic skills of tennis with special emphasis on forehand, backhand, serve and playing strategies. Scoring, rules of tennis, and court etiquette also are presented. Small classes learn in a fun-filled environment. Racquets and balls are provided.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 117. First Swing Golf Experience Women. 1 Credit.

This course is open to all students with no prior golf experience. Students learn the use of irons, woods, and the putter, along with basic rules, etiquette, and course management. Instruction focuses on the women's game, including tee selection, equipment considerations, and swing mechanics with women golfers. Students also explore the history of women in golf, including key professional figures, and examine differences in technique and equipment within the women's game. Golf clubs are provided for the Experiential Golf Weekend. Students are responsible for their own transportation to the Golf Course when applicable.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 118. Jujitsu. 1 Credit.

This course focuses on learning and applying the fundamental techniques of Brazilian Jujitsu. Students learn the basic knowledge and skills needed (such as movements, positions and concepts) in a progressive skill building approach. Instruction emphasizes proper technique, mobility, pressure and leverage awareness. The aim is to improve fitness, health and overall wellness. Course is intended for those interested in establishing a foundational knowledge of Brazilian Jujitsu, or for those who would like to learn self-defense.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 119. Advanced Golf Weekend Workshop. 1 Credit.

This course is presented as a weekend golf school, with lessons and playing time for intermediate and advanced golfers only. Every aspect of the game is covered in seminars, on the driving range and on the golf course. Students must be available Friday, from 4-7 p.m., and Saturday and Sunday, from 10 a.m.-4 p.m. Course is taught off campus at Laurel View Country Club in Hamden. Students must provide their own transportation.

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 121. Intro to Pickleball. 1 Credit.

This is a beginning Pickleball course in which students will develop basic knowledge and skills to play the sport of Pickleball. Technical skills include forehand and backhand groundstrokes, volleys, serves, lobs, overheads, and proper footwork. Students will also learn the fundamental rules, basic strategies, and court positioning for singles and doubles play. Basic fitness and training principles will be discussed as applicable to the sport of Pickleball. Every Year, Fall and Spring

Prerequisites: None

Offered: Every year, Fall and Spring

FLW 123. Yoga Pilates Fusion. 1 Credit.

Yoga Pilates Fusion is a challenging dynamic class that combines the fundamentals of yoga with mat exercises designed by Joseph Pilates. It is a music-driven class that includes warm-up, sun salutations, warrior poses, balance challenges and intensive core work to strengthen both the front and back body. Deep stretches, hip opening sequences and relaxation complete the workout.

Prerequisites: None

Offered: Every year, Fall and Spring

- FLW 125. Pilates.** **1 Credit.**
Pilates is one of the most challenging and effective means of building core stability, improving body mechanics, balance, coordination, strength and flexibility. Starting with the foundation of mat Pilates, this course presents an in-depth approach to breathing instruction, body alignment and a unique set of challenging exercise sequences. Students learn basic anatomy and physiology as it relates to Pilates.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 126. Fundamentals of Kickboxing.** **1 Credit.**
Patterned after the training routines of international competitive kickboxers, this course teaches basic and intermediate boxing and kicking techniques, footwork, combinations, and if desired, light sparring. It provides an excellent cardiovascular workout and flexibility training, while enhancing muscular endurance.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 127. Beginning Fencing.** **1 Credit.**
This course presents the fundamentals of fencing using the three classes of weapons: foil, sabre and epee. Offensive and defensive movements are studied, as well as the techniques of engage, disengage, parry and lunge. It is the perfect sport for students of all ages, sizes and abilities. All equipment is provided.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 128. Step and Sculpt.** **1 Credit.**
This fundamental course offers a unique blend of simple and easy-to-learn step choreography with intervals of strength training using free weights, resistance bands, medicine balls and more. Students improve their overall fitness, including endurance, strength and agility while learning the proper form to execute all exercises.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 130. Stress Management.** **3 Credits.**
The course provides an opportunity to examine stress and its relationship to one's health. Topics include common sources of stress, lifestyle, coping strategies and relaxation techniques. This is a comprehensive course designed to expose students to a holistic approach to stress management, with regards to both cognitive (coping) skills, and a host of relaxation techniques with the intention to reduce the physical symptoms of stress. This course is composed of both theoretical and experiential learning through a series of class exercises and techniques.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 133. Food As Medicine.** **1 Credit.**
Plants have many constituents beyond macronutrients, vitamins and minerals that play a role more like a medicine than a nutrient. Students learn to view food as an effective preventive strategy, making us less susceptible to bacteria and viruses. The course covers the impact of a healthy microbiome on human physical and mental health, as well as soil and plants. Students explore local food and learn delicious ways to get more in our daily diet.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 135. Rocks and Ropes Camp-Out Weekend.** **1 Credit.**
This two-day, two-night class includes group challenges, high and low rope course activities, a night hike, and canoe instruction on the lake. Food and lodging are provided. Students must provide their own sleeping bag. Course is offered off campus at Deer Lake in Killingworth. Students must provide their own transportation.
Prerequisites: None
Offered: Every year, Fall
- FLW 139. Fitness Training and Nutritional Strategy.** **1 Credit.**
This fitness program is designed to decrease body fat and increase lean body mass through cardiovascular exercise, circuit training, resistance training, and proper nutrition.
Prerequisites: None
Offered: Every year, Fall and Spring
UC: Breadth Elective
- FLW 143. Recreational Games Weekend.** **1 Credit.**
Leisure time games are the agenda for this class. Activities may include volleyball, duckpin bowling, dodgeball, kickball, pickleball and more. Students must be available Friday, from 4-7 p.m., and Saturday and Sunday, from 10 a.m.-4 p.m.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 144. Fresh Water Fishing Weekend.** **1 Credit.**
Fishing is one of the most popular recreational activities in America. This course provides information about rods and reels; fishing line, hooks, bobbers and lures; fishing knots; types of fish; releasing fish; cleaning and cooking fish. Instruction includes classroom as well as actual fishing time. Students must be available Friday, from 4-7 p.m., and Saturday and Sunday, from 9 a.m.-2 p.m. Course is offered off campus at Hamden ponds. Students must provide their own transportation.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 145. willPower & Grace®.** **1 Credit.**
This course is based on willPower & grace®—a dynamic, functional fusion group exercise program. The workout is the ideal cardiovascular solution for mind-body practitioners. It is practiced barefoot, equipment-free and infused with positive and motivating philosophy. The willPower & grace® workout is an easy-to-follow, linear, strong and focused program structured for students of all levels. Goal setting is used to help ensure progression. This workout is a manifestation of strength and elegance. Students learn to link the strength, power and desires of the mind with the demands and potential of the body.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 148. Spinning.** **1 Credit.**
Spinning is an indoor cycling program. Participants set their own level of intensity by adjusting the bike's resistance. In this course, students learn proper bike setup and safety, heart rate training guidelines and aerobic base building principles. The riding time begins at 30 minutes and progresses each week with a final ride of 1 hour, 15 minutes. Everyone succeeds. Spinning is taught at the York Hill Campus.
Prerequisites: None
Offered: Every year, Fall and Spring

- FLW 151. Cardio Conditioning.** **1 Credit.**
 This class delivers a total body workout, combining non-impact aerobic and progressive training with hand-held weights and resistance rubber bands (no weight room). Class activities provide the most efficient and effective methods to improve cardiovascular performance while strengthening and sculpting muscle groups.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 152. Cardio Sculpt and Pump.** **1 Credit.**
 This class features a total body workout and an insightful approach to highly practical, safe, adaptable techniques specifically designed to develop strength, balance and flexibility. The instructor utilizes a specific contingent of conditioning exercises with emphasis on precision (no weight room). Aesthetics aside, this is a great way to develop good posture and a strong, flexible, graceful body.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 153. Flow Yoga.** **1 Credit.**
 An innovative series of yoga postures that build and flow with sequential linking challenging your muscular strength, cardiovascular endurance, flexibility, balance, and mental stamina.
Prerequisites: None
Offered: Every year, Fall and Spring
- FLW 161. Ballroom Dancing.** **1 Credit.**
 Learn to tango, salsa, swing and more. This course covers basic patterns and some variations in three to four dances with an emphasis on basic technique and learning to move comfortably on the dance floor.
Prerequisites: None
Offered: Every year, Fall and Spring
