MARKETING (MK)

MK 201. Marketing Principles. 3 Credits.
This course surveys marketing from the decision-making point of view, with emphasis on the conceptual and analytical components of the subject, and a synthesis of new marketing concepts with economics, behavioral sciences and mathematics.
Prerequisites: Take EC 111.
Offered: Every year, Fall

MK 201H. Honors Marketing Principles. 3 Credits.
This course surveys marketing from the decision-making point of view, with emphasis on the conceptual and analytical components of the subject, and a synthesis of new marketing concepts with economics, behavioral sciences and mathematics.
Prerequisites: Take EC 111.
Offered: As needed

MK 210. Consumer Behavior. 3 Credits.
The central role of the consumer in initiating or determining the fate of the firm’s marketing effort is emphasized. The course draws on theories from psychology, sociology, anthropology and economics to help understand and anticipate consumer behavior as individuals or groups. Current models of consumer behavior are surveyed.
Prerequisites: Take MK 201.
Offered: Every year, All

MK 301. Internet Marketing. 3 Credits.
This course explores the rapidly evolving world of Internet marketing and examines the strategies and tactics that firms can use to utilize the Internet as an effective marketing tool. Students discuss search engine marketing, social media tools, web site design and Internet advertising. The course also examines the role of the Internet as a channel of distribution.
Prerequisites: Take MK 201.
Offered: Every year, Spring

MK 312. Advertising. 3 Credits.
Current practices in advertising including strategy and planning, copy and layout, media selection and scheduling, and budgeting are examined. Advertising is considered from the inception of researched ideas and concepts through the completed presentation. Students gain experience in creating advertisements for the major media.
Prerequisites: Take MK 201.
Offered: Every year, All

MK 315. Media Planning. 3 Credits.
This course considers strategic media planning and its role in advertising and marketing. Emphasis is on the strategic and creative selection, scheduling and evaluation of traditional and non-traditional media vehicles to effectively and efficiently deliver advertising messages to target audiences. Students examine the relative strengths of various media and scheduling options for advertising both goods and services, and learn tools and techniques used to analyze media opportunities (e.g., computerized allocation software and/or other modeling techniques). Students gain hands-on experience through development of a media plan.
Prerequisites: Take MK 201.
Offered: As needed

MK 320. Marketing Research. 3 Credits.
Students learn to understand and satisfy marketing managers’ information needs: demand potential, competition, regulations and accepted procedures in relevant business/geographic areas. The course covers research design, quantitative and qualitative data collection, data analysis and implications of results. Written/oral reports are expected. This methodological course assumes a basic understanding of marketing in a global environment.
Prerequisites: Take MK 201 and One course from: EC 271, EC 272, MA 275 or MA 206.
Offered: Every year, Fall and Spring

MK 321. Marketing Analytics. 3 Credits.
Topics covered in this course include market segmentation, marketing mix analysis, product bundle optimization and social network analysis. Students are introduced to the basics of effective visual presentation of quantitative information. Weekly assignments with real business data allow students to explore a variety of analytic techniques and answer actual problems. Students leave with a knowledge of a variety of advanced techniques, in-demand analytic reasoning skills and an understanding of methodological debates, trade-offs and resource allocation for data projects.
Prerequisites: Take MK 320 or MK 370.
Offered: As needed

MK 322. Business-To-Business Marketing. 3 Credits.
This course examines the development of marketing strategies of firms that market to other firms or organizations. Integrating characteristics that distinguish business markets from consumer markets throughout the semester, topics include unique aspects of selecting target markets and elements of the marketing mix. Cases, projects, articles and exercises stress the problems facing actual business marketing firms today.
Prerequisites: Take MK 201.
Offered: As needed

MK 323. Integrated Marketing Communications. 3 Credits.
This course focuses on theory, application and practice associated with the management of marketing communications activities. Students consider strategic implications of integrated communication, and examine promotional tools, such as advertising, special promotions, Internet/mobile, direct marketing, personal selling, public relations, publicity and display.
Prerequisites: Take MK 201.
Offered: Every year, All

MK 330. Marketing Channels and Distribution. 3 Credits.
Students are introduced to design, evaluation and management of distribution channels. Topics include channel member roles and behavior; channel performance evaluation; and logistics (e.g., transportation, inventory, materials handling and information management).
Prerequisites: Take MK 201.
Offered: Every year, Fall

MK 331. Product and Pricing Strategy. 3 Credits.
Strategic product planning and new product development within the context of marketing management for marketing new and mature products are examined. Students learn to integrate economic, financial, legal and marketing principles to analyze pricing decisions, and consider the behavioral implications of pricing, and review relationships among the components for the marketing mix.
Prerequisites: Take MK 201.
Offered: Every year, All
MK 350. Marketing History. 3 Credits.
This seminar examines the development of modern marketing in America from the mid-19th century through the 20th century. The course focuses on how pioneering entrepreneurs such as Kellogg, Sears, Heinz, Hershey and others created brands that became household names and in the process revolutionized marketing practice. Students discuss assigned readings, films and field trips. Research assignments and a term paper also need to be completed.
Prerequisites: Take MK 201.
Offered: As needed

MK 352. Retail Management. 3 Credits.
The major elements of retail management and merchandising are introduced. Topics covered are inventory planning, acquisition and control; pricing, sales volume and profit; promotional activities; and store management, including operations, as well as retail mathematics: markup, markdown, turnover, etc.
Prerequisites: Take MK 201.
Offered: As needed

MK 355. Services Marketing. 3 Credits.
This course examines how marketing principles are applied to the management of service business, including health organizations. Topics include: definition of services, services as products, managing the service encounter, buyer behavior and customer relations, service quality, marketing and human resources management, service accessibility, pricing of services, promotion of services, and international marketing of services.
Prerequisites: Take MK 201.
Offered: As needed

MK 383. Professional Selling and Sales Management. 3 Credits.
The study and application of skills required to sell products, services or ideas. Emphasis is on the development of an effective sales presentation focusing on the needs of the consumer or organization. The course stresses the importance of knowing the company and its products as well as the selling environment and customer. In addition, the issues involved in managing a sales force are addressed. These include sales planning and forecasting, selection, recruitment, training and compensation of salespeople and integration with other elements of the marketing mix.
Prerequisites: Take MK 201.
Offered: As needed

MK 399. Marketing Independent Study. 1-6 Credits.

MK 401. Seminar in Marketing Strategy. 3 Credits.
This capstone course for seniors is given from the point of view of top marketing executives, who are responsible for integrating marketing activities. Instructional methods such as case analyses, “live cases,” group projects and simulations may be used. Senior status required.
Prerequisites: Take MK 201.
Offered: Every year, Fall and Spring

MK 405. Seminar in Biomedical Marketing Strategy. 3 Credits.
This course explores the unique aspects of marketing strategy in the biomedical industry from the perspective of biomedical firms, hospitals and government agencies. Topics include the purchase decision process, marketing research, product development and pricing strategy. Students gain current biomedical industry knowledge through articles, cases and completion of a marketing plan project in partnership with a biomedical firm.
Corequisites: Take MK 334.
Offered: Every other year, Spring

MK 488. Marketing Internship. 3 Credits.
This internship in marketing must be approved by the department chair and the dean in accordance with school regulations. Junior/senior status is required. This course is graded on a pass/fail basis.
Prerequisites: Take MK 201.
Offered: Every year, All

MK 495. Biomedical Marketing Internship. 3 Credits.
This internship is required of biomedical marketing majors and must be done with a company or institution that is related to biomedical products or services.
Prerequisites: Take MK 201.
Offered: Every year, All

MK 498. Tutorial Topics in Marketing. 3 Credits.
