

OFFICE OF INTERNATIONAL STUDENTS AND SCHOLARS

The Division of Student Affairs supports the international student population at Quinnipiac University, providing guidance on a wide range of topics for international students in the U.S., including immigration issues (visa regulations, work authorizations, travel), academic and cultural differences, and resources at Quinnipiac and in the local community. Each semester, the department office hosts a comprehensive orientation program to prepare newly arrived international students and scholars for life and study at Quinnipiac University. OISS organizes on- and off-campus programs and events that are open to international and domestic students, and coordinates the Global Partners Program, a peer-support program that partners new international students with current students who serve as mentors.
