The Accelerated Dual-Degree Bachelor of Science/Master of Business Administration (3+1) is designed for outstanding School of Business students. Students who meet the criteria are invited to join with their acceptance letter. Students enter the program in their first year and learn at an accelerated pace to earn a bachelor's degree in three years and an MBA in the fourth. This select program features total savings over the traditional five-year BS/MBA option and additional features including:

Unique Program Features

- An optional residential cohort first-year experience with other four-year BS/MBA students
- Dedicated resident assistant and study lounge in first-year cohort housing
- Dedicated program director
- Scholarship carried from year three to year four, subject to a 3.00 GPA and continued program enrollment

Classes are offered both in a traditional on-campus setting as well as an online MBA option.

The four-year experience includes applied learning experiences such as internships-for-credit and faculty-led international travel in both undergraduate and graduate segments of the program. Options include:

- Undergraduate study abroad, School of Business immersion trips, university seminar travel courses
- Graduate MBA international travel immersion courses

Students in the Accelerated Dual-Degree BS/MBA (3+1) program must live in one of the university's housing options for the three undergraduate years of the program.

Admission Requirements: Accelerated Dual-Degree BS/MBA (3+1)

The Accelerated Dual-Degree BS/MBA (3+1) program does not have a separate application process. Students must accept the invitation prior to matriculation.

Admission to the university is competitive, and applicants are expected to present a strong college prep program in high school. Prospective first-year students are strongly encouraged to file an application as early in the senior year as possible, and arrange to have first quarter grades sent from their high school counselor as soon as they are available.

For detailed admission requirements, including required documents, please visit the Admissions page (<http://catalog.qu.edu/general-information/admissions/>) of this catalog.
