The School of Business offers two MBA programs to meet the needs of our students. The Full-Time MBA program is a STEM designated program that is offered on campus or online for students who have recently completed an undergraduate degree or for students who want an in-person MBA experience. For students who already have at least 3 years of full-time work experience, the Professional MBA (PMBA) program offers the flexibility of completing an MBA completely online on a part-time basis. Both programs emphasize the interrelatedness of core business functions, and students learn the theories, principles and strategies necessary to succeed in careers in business, government or nonprofit management. In the MBA, students build their knowledge and skills in areas related to data analytics, decision-making, global business considerations, financial markets and analysis, leadership, organizational behavior and business strategy.

MBA courses are action-oriented, and students are encouraged to think critically so that they can effectively and immediately apply the competencies and skills acquired in the MBA program to their organizations. Numerous electives are available for students to customize their experience based on their own professional goals and interests. A full-time six-month cooperative work experience option is possible for students who seek an immersive learning experience with world-class businesses after completing at least 18 credit hours.

Electives are available in such areas as accounting, business analytics (http://catalog.qu.edu/courses-graduate/ban/), finance (http://catalog.qu.edu/courses-graduate/fin/), healthcare management (http://catalog.qu.edu/courses-graduate/hm/), marketing (http://catalog.qu.edu/courses-graduate/mk/) and supply chain management (http://catalog.qu.edu/courses-graduate/mg/).

**MBA Admissions**

Admission to Quinnipiac's graduate business programs is competitive. The following criteria apply for admission to the MBA. Please note: Separate admissions requirements apply for Quinnipiac Dual-Degree BS/MBA and BA/MBA (4+1) students and students entering the Accelerated Dual-Degree BS/MBA (3+1) program in the School of Business. Please refer to the appropriate sections of this catalog for further information on these programs.

All prospective MBA students must submit the following:

1. Program application (submitted online). Go to Quinnipiac’s Graduate Admissions (http://www.qu.edu/gradhowtapply/) webpage.
2. Official transcripts from all institutions attended, two letters of recommendation, a current resume and a personal statement.
3. GMAT or GRE scores are not required for admission. Applicants who wish to submit scores may do so as supplemental information on the application.
4. All applicants from non-English-speaking countries must indicate that they have the language capability to understand business instruction in English and must provide official Test of English as a Foreign
Language (TOEFL) scores. In general, a minimum TOEFL Internet-based score of 90 is required for admission (or 233 for computer-based, or 575 for paper-based).

In lieu of TOEFL, applicants may submit International English Language Testing System (IELTS) scores. A minimum score of 6.5 on this exam, a B or above on the Certificate of Advanced English or a C or above on the Certificate of Proficiency in English is required. TOEFL and IELTS scores are valid for two years.

5. International applicants are required to submit proof of adequate funds to complete their study at Quinnipiac University before an eligibility form (I-20) can be issued. Complete the Statement of Financial Support (https://www.qu.edu/admissions/graduate/apply/international/) and submit along with supporting documentation. In addition, a copy of a passport or national ID is required.

Applications for the MBA program are accepted throughout the year for both full- and part-time study. Full-time students may begin their studies in January, May or August. Candidates are encouraged to submit applications as early as possible to ensure consideration for the semester desired.
