Mission Statement

Through its graduate programs, Quinnipiac University recognizes a substantial trend toward greater professionalism and the rapidly expanding body of knowledge in the fields of business, communications, education, social work, health management and the health care, rehabilitative and laboratory sciences. The provision of graduate degrees is a logical extension of Quinnipiac's special mission, which is “to provide opportunity for an integrated liberal and technical education” that will enable students to prepare for and advance in their professional careers and to “make responsible decisions in a society that increasingly demands understanding of the humanities, the social and natural sciences and technology.”

All graduate programs at Quinnipiac share three foundations. Instruction is provided by a team of academicians who hold the highest available academic credentials and practicing professionals who hold advanced positions in their field. Every graduate student is provided with the opportunity to obtain practical experience through supervised residencies, thesis research, special projects or small laboratory classes. Study in all graduate programs is advanced and builds on both undergraduate education and professional experience. Additional prerequisite courses are needed by students who enter new fields at the graduate level.

Graduate Admission

Applications for all graduate programs, except law and medicine, may be obtained and submitted from the Quinnipiac Admissions website (http://www.qu.edu/gradadmission). For information about online admissions, visit QU Online Admissions (https://quonline.quinnipiac.edu/become-a-student/admissions-process.php). Applicants are required to submit an application fee and official transcripts of all college-level work completed at other institutions. Applicants also are required to submit a letter of intent and resume (as stipulated by each specific program) and to make arrangements to have two letters of reference submitted.

Individual graduate programs have additional application requirements. For example, GMAT or GRE scores are required for admission into the MBA program.

The Quinnipiac physician assistant program participates in the Central Application Service for Physician Assistants. Go to the CASPA website (https://caspa.liaisoncas.com) for more information regarding the application process and fees. All applications, transcripts, references and other supporting materials are submitted directly to CASPA. Applicants may contact the Office of Graduate Admissions for information.

Submission of Graduate Record Examination scores is not required for admission into Quinnipiac's master's degree programs except for the MMSc in anesthesiologist assistant program (however, this program will accept the MCAT in lieu of the GRE). However, many program faculty find GRE scores a useful indication of a student’s ability. Information about specific admissions requirements or standardized exams can be obtained from the Office of Graduate Admissions, the Admissions website (http://www.qu.edu/gradadmission) or the Quinnipiac Online website (https://quonline.quinnipiac.edu).

International Student Admission

Applications for graduate study from international students are welcomed. International applicants must complete their application at least three months prior to their intended start term. Upon application, international students are requested to submit English language
Graduate Financial Assistance and Scholarship Information

Graduate Financial Assistance

Financing a graduate education is a significant investment for students. To assist students, Quinnipiac provides several financial aid programs to help graduate students fund their education. Financial aid is available to both full-time and part-time students. Graduate students who are matriculated, enrolled at least half-time (5–8 credits) and making satisfactory academic progress in a degree programs are eligible to receive financial aid.

Graduate Assistantships

Graduate assistantships are available on a limited basis to both full-time and part-time graduate students. There are two types of assistantships. Students whose services and skills are utilized in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver. Students whose services are in administrative areas within the university receive a partial tuition waiver.

The number of graduate assistantships vary each semester. Students who wish to be considered for an assistantship should contact either the program director or visit Quinnipiac's Graduate Work (http://www.qu.edu/gradwork) webpage.

Internship Waivers

Students accepted full time into the master of arts in teaching program have the opportunity to serve as graduate student interns in a single public school. Interns receive a significant tuition reduction during the internship semesters.

Quinnipiac University Graduate Merit Scholarship

Quinnipiac University's graduate merit scholarships are awarded on a competitive basis to a select number of newly admitted full-time on-campus graduate students who demonstrate exceptional promise of achieving academic excellence. The scholarships are offered to full-time students who are entering the following traditional on-campus programs: business administration, cardiovascular perfusion, journalism, medical laboratory sciences, molecular and cell biology, nursing, pathologists’ assistant, physician assistant, radiologist assistant and social work. Candidates are evaluated based on academic potential in their chosen graduate degree field, as evidenced by academic and related performance to date. Eligibility is determined by a scholarship committee based on the program director's recommendations during the admissions application process. Financial need is not a factor in the selection.

Candidates interested in merit scholarships are encouraged to apply early in the admissions application process. Every admitted full-time applicant is considered for the scholarship and recipients are determined no later than March 15 for programs that begin in the summer. Scholarship recipients for programs that begin in the fall are determined no later than July 15. Due to limited funding, these scholarships are not available to international students.

Scholarships are renewable so long as students maintain full-time enrollment and a cumulative grade point average of 3.25 each semester.

Quinnipiac Graduate Grant

Quinnipiac University provides institutional grants to our full-time, on-campus graduate students with the highest financial need. To determine who should be appropriately funded by this grant, we use an institutional application in conjunction with the FAFSA. The grant is nonrenewable.

Loan Programs

Graduate students may be eligible for several different types of loan programs offered at the university. Federal loans are available to students who:

1. meet the general requirements;
2. are U.S. citizens or eligible noncitizens; and
3. are registered with Selective Service (male students only).

Private alternative loans also are available and do not require the same criteria as listed above. These types of loans are based on enrollment and an individual's personal credit standings.

Applying for Financial Aid

Students seeking financial aid should complete, as soon as possible, a “Free Application for Federal Student Aid.” This may be completed online at fafsa.gov (http://www.fafsa.gov). Be sure to indicate the federal school code 001402. In addition, a financial aid application is required to award student aid. The form can be downloaded from the Graduate Financial Aid (https://www.qu.edu/graduate-tuition-financial-aid/forms-policies.html) section of Quinnipiac’s website.

Requirements for Graduation

Master of Arts in Teaching Program

1. Satisfactory completion of all MAT program requirements.
2. Satisfactory completion of the Connecticut State Department of Education’s certification requirement of demonstrated competence in language arts, mathematics, natural sciences, social sciences
(including a U.S. history course), the fine arts, physical education and health, a world language, and computer and other technology.
3. Satisfactory results on the appropriate PRAXI II and CT Foundation of Reading tests.
4. A preferred cumulative GPA of at least 3.0.
5. Completion of the full-time internship.

Master of Business Administration
1. Satisfactory completion of all MBA program requirements (46 credits).
2. A cumulative GPA of at least 3.0.
3. A minimum grade of C in all MBA program courses taken at Quinnipiac.

Master of Science in Accounting
1. Satisfactory completion of all MS in Accounting program requirements (30 credits).
2. A cumulative GPA of at least 3.0.
3. A minimum grade of C in all MS program courses taken at Quinnipiac.

Master of Science in Business Analytics
1. Satisfactory completion of all MS in Business Analytics program requirements (33 credits).
2. A cumulative GPA of at least 3.0.
3. A minimum grade of C in all MS program courses taken at Quinnipiac.

Master of Science in Cybersecurity
1. Satisfactory completion of all MS in Cybersecurity program requirements (30 credits).
2. A cumulative GPA of at least 3.0.
3. A minimum grade of C in all MS program courses taken at Quinnipiac.

Master of Science in Organizational Leadership
1. Satisfactory completion of all MS in Organizational Leadership program requirements (33 credits).
2. A cumulative GPA of at least 3.0.
3. A minimum grade of C in all MS program courses taken at Quinnipiac.

Master of Health Science
(Radiologist Assistant)
1. Satisfactory completion of all MHS-RA curriculum requirements.
2. Satisfactory completion of all American Registry of Radiologic Technologists (ARRT) examination requirements.
3. A cumulative GPA of at least a 3.0.

Master of Science in Instructional Design
1. Satisfactory completion of all MS in Instructional Design program requirements, including capstone project (30 credits).
2. A cumulative GPA of at least 3.0, with no course grade below B-.

Master of Science in Interactive Media and Communications
1. Satisfactory completion of 30 credits of graduate study.
2. A cumulative GPA of at least 3.0 and no grade less than a C.
3. Completion of the capstone course.

Master of Science in Journalism
1. Satisfactory completion of 30 credits of graduate study.
2. A cumulative GPA of at least 3.0 and no grade less than a C.
3. Completion of research thesis or professional project.

Master of Science in Molecular and Cell Biology
1. Satisfactory completion of at least 34 credits of graduate study.
2. Satisfactory completion of specific course requirements.
3. Candidates must maintain a minimum cumulative GPA of 3.0 to remain in the MCB program.

Master of Science in Nursing
1. Satisfactory completion of all core courses and appropriate specialty courses.
2. A cumulative GPA of at least 3.0.
3. Satisfactory completion of the precepted practice hour requirement.
4. A minimum grade of B- in all nursing courses.

Doctor of Nursing Practice
1. Satisfactory completion of all core courses and appropriate specialty courses.
2. A cumulative GPA of at least 3.0.
3. Satisfactory completion of the precepted practice and fieldwork hour requirement.
5. A minimum grade of B- in all doctoral nursing courses; B for nurse anesthesia courses.

Entry-level Professional Doctor of Occupational Therapy
1. Satisfactory completion of all graduate curriculum requirements.
2. A minimum grade of B- in all didactic courses.
3. A “pass” in all Level II Fieldwork and Doctoral Capstone courses.
4. A cumulative GPA of at least 3.2 for each semester of graduate study.
Master of Occupational Therapy
1. Satisfactory completion of all graduate curriculum requirements.
2. A minimum grade of C+ in all didactic courses.
3. A “pass” in all Level II Fieldwork courses.
4. A cumulative GPA of 3.0 for each semester of graduate study.

Post-Professional Occupational Therapy Doctorate
1. Satisfactory completion of all OTD program requirements (32 credits).
2. A cumulative GPA of at least 3.2.

Doctor of Physical Therapy
1. Satisfactory completion of all graduate curriculum requirements.
2. A minimum grade of C+ in all graduate courses.
3. A cumulative GPA of 3.0 for each semester of graduate study.

Master of Science in Public Relations
1. Satisfactory completion of 36 credits of graduate study.
2. A cumulative GPA of at least 3.0 and no grade less than a C.
3. Completion of research thesis or professional project.

Master of Science in Teacher Leadership
1. Satisfactory completion of all MS in Teacher Leadership program requirements (30 credits).
2. A cumulative GPA of at least 3.0, with no course grade below B-.
3. Satisfactory completion of the specialization area capstone project.

Master of Social Work
1. Satisfactory completion of all MSW program requirements (60 credits), including a capstone project and field placements.
2. A cumulative GPA of at least 3.0.

Sixth-Year Diploma in Educational Leadership
1. Satisfactory completion of all program course work, including the internship.
2. Satisfactory results (passing) on the Connecticut Administrator test (CAT).
3. Successful completion of all performance tasks.
4. A cumulative GPA of at least 3.0, with no course grade below B-.
