

PEOPLE'S UNITED CENTER

The People's United Center is a state-of-the-art, 185,000-square-foot facility featuring separate arenas for varsity men's and women's basketball and ice hockey. The two arenas are joined by a common lobby and ticket office, the premier University Club, administrative and team offices, locker rooms with student-athlete lounges, conference and meeting rooms, athletic training rooms and a strength and conditioning center. The building was opened in 2007.
