Career development services at Quinnipiac are provided within each individual school and college to give students targeted, specialized information. The Schools of Business, Communications, Engineering, Health Sciences and Nursing and the College of Arts and Sciences each have a career development office to support students navigate the career exploration process. Whether exploring majors, evaluating interests, writing a resume or preparing for interviews, staff members assist students every step of the way with developing a career plan and achieving their goals. Programs and services include individual career counseling and advising sessions; connections with alumni and employers; career fairs and on-campus recruiting; panels and workshops; job and internship listings; and graduate school information. The focus is on offering personal attention and a wide range of useful resources. Career support for alumni is provided through the Department of Development and Alumni Affairs.
