An allergy clinic is offered to students who are engaged in allergen immunotherapy prior to coming to Quinnipiac. The allergist of a student wishing to participate in this program must review and sign two forms: an allergy instruction form and an allergy treatment form. These forms are available in Student Health Services or may be downloaded from the website and printed for completion by their allergist. If necessary these forms may be mailed or emailed to students who will be participating in the program. In addition, students must make an appointment with the allergy nurse for administration of their extract. Allergy injections are provided at the York Hill Campus on Tuesdays.

Class excuses are not issued to students. Students who are ill are expected to contact their respective professors to inform them of their illness. Professors may phone Student Health Services to verify this information and will be told the student was or was not seen by a professional staff member. Particulars of student visits are not shared unless a student completes a release of information form. Parents or legal guardians are notified of serious illness and emergencies at the discretion of the professional staff. For additional information, visit the Student Health Services website (https://studenthealthservices.quinnipiac.edu) on the Student Life tab at the top of the page.

Students under the age of 18 must obtain written parental consent prior to obtaining treatment at Student Health Services. The only exceptions are when immediate medical attention is necessary or the student seeks:

1. testing for HIV;
2. an examination or treatment of a venereal disease;
3. mental health treatment;
4. an abortion, or
5. alcohol or drug rehabilitation.

**York Hill Campus**

Student Health Services also has a location on the York Hill Campus, on the ground floor of the Rocky Top Student Center, opposite the “H” entrance of the Crescent Residence Hall. A health care provider, under the direction of the Student Health Services medical director, is available Monday through Friday, noon to 8 p.m. Again, services are available only to those students who have submitted the required information as outlined above.

Allergy injections are provided at the York Hill Campus on Tuesdays.
