

FRANK H. NETTER MD SCHOOL OF MEDICINE

The Frank H. Netter MD School of Medicine has been designed to be a model for educating diverse, patient-centered physicians who are partners and leaders in an interprofessional primary care workforce responsive to health care needs in the communities they serve. The medical school is housed in a state-of-the-art facility that features operating and examination rooms, classrooms, student and faculty offices and a morgue. The first medical school class began its studies in Fall 2013.
