DEPARTMENT OF PUBLIC SAFETY

The mission of the Department of Public Safety is to provide a safe and secure environment for the university community through the efficient and effective use of resources such as education, crime prevention, technology and enforcement activities.

Although the mission is to ensure a safe environment, the ultimate responsibility for personal safety rests with each individual. Therefore, it is important for all members of the Quinnipiac community to be aware of their surroundings and potential risks. Take the time to familiarize yourself with the procedures for building evacuation, use of Code Blue Light Phones and how to contact the Department of Public Safety in the event of an emergency.

The Department of Public Safety is located in Irmagarde Tator Hall, Suite 118, on the Mount Carmel Campus at 275 Mount Carmel Ave., Hamden, Connecticut. To contact the department, call 203-582-6200 (on campus dial 6200), or dial 911 for an emergency.

- All students and guests must stop at all traffic control posts on the perimeter of the campus. Students must carry their QCard at all times.
- Acts of vandalism should be reported to the Department of Public Safety immediately by dialing 6200.
- All fire safety regulations must be observed. In the case of a fire alarm, all occupants must evacuate the building and may not re-enter it until authorized to do so by the fire department or the Department of Public Safety.

Missing Persons

In the event that a student is determined to be missing from the residence halls or campus, the person (or persons) discovering this fact are directed to immediately report it to the Department of Public Safety. Public Safety will notify Residential Life, Student Affairs and the Hamden Police Department without delay, and an investigation will be immediately initiated upon receipt of the information.

All Quinnipiac students who are living in an on-campus student housing facility have the option to register one or more confidential “missing person” points of contact with Student Affairs annually. This “missing person” point of contact will be notified when the student is determined to be missing. Students are made aware that their “missing person” point of contact information will be registered confidentially. Only authorized university officials and law enforcement officers acting in furtherance of a missing person investigation may have access to this information.

Investigations

Public safety investigators review all written reports taken by the department. Upon review, investigators may determine that there is a need to conduct further investigative follow-up. Therefore, students may receive a request by email from the investigator to meet for an interview. Failure to comply with an interview request from a public safety investigator may subject the student to disciplinary action for noncompliance.

In addition to day-to-day responsibilities and services, the Department of Public Safety also:

- Conducts seminars and group discussions regarding personal safety and campus security
All students are advised that any missing student younger than 18 years of age and not emancipated will have their parent or guardian notified in addition to any confidential “missing person” point of contact listed by the student and local law enforcement officials.
