FRATERNITY AND SORORITY LIFE POLICIES

Social fraternities and sororities exist at Quinnipiac University as recognized student organizations and are expected to uphold all policies and procedures for recognized student organizations except where explicitly stated. Quinnipiac University reserves the right to address, through the Student Code of Conduct or Student Organization Conduct processes, behavior or incidents by individuals or organizations, which occur on or off campus that violate policies, procedures, expectations or requirements, or that may endanger the health, safety and welfare of others and/or adversely affect the university and/or the pursuit of its objectives.

Policy on Risk Management

The Quinnipiac University Student Organization Risk Management Policy exists to encourage safety and provide risk management standards for all student organizations including fraternities, sororities and governing councils. This policy addresses alcohol and drugs; hazing; discrimination, harassment and abuse; and fire, health and safety.

Policy on Extension of Membership, Education Process and Initiation

Chapters and colonies may only extend invitations for membership, or bids, during the academic year when fall or spring semester classes are in session. All new member activities, events or programs cannot exceed eight weeks and must take place during the academic year when fall or spring semester classes are in session. Additionally, chapters must initiate new members within the same semester that the invitation/bid was extended and accepted. Exceptions are made for initiation only into next semester where explicitly stated in inter/national governing documents or with a letter from the inter/national organization. Even in these cases, the entire new member education process must be completed the semester prior.

Policy on Recognition Requirements

- notify the Office of Fraternity & Sorority Life when any member of the organization is added, removed, drops from the new member process, resigns membership or takes early alumni status within 24 hours using the Change of Membership Form located on Do You QU (https://qu.campuslabs.com/engage)
- notify the Office of Fraternity & Sorority Life of any changes in officer positions within 24 hours of a change

- attend activities, events and meetings as required by the Office of Fraternity & Sorority Life
- Submit the monthly Chapter Digest report during each month of the academic year, as requested
- Failure to meet minimum accreditation standards set buy the Office of Fraternity & Sorority Life may result in loss and/or suspension of recognition.
