SIGNATURE PROGRAMS AND ADDITIONAL INVOLVEMENT

FOUNDATIONS: New Member Experience

FOUNDATIONS, a mandatory program designed exclusively for new members based on the Four Pillars, exists to equip all new members with the essential information, knowledge and skills for personal success during the new member semester and beyond. FOUNDATIONS uses a common curriculum that integrates Essential Learning Outcomes, further encouraging new members to find connections between their fraternity/sorority experience and other aspects of their lives. Trained fraternity and sorority peer mentors facilitate the FOUNDATIONS curriculum each year.

Greek Leadership Series

Throughout the year, members of fraternities and sororities are offered opportunities to attend additional training to strengthen their leadership and organizational management skills. Programs offered as a part of the Greek Leadership Series can range from career-oriented events about personal branding to in-depth discussions about the role of race, diversity, and identity on campus. These programs develop the leaders, thinkers and responsible professionals of the future and specific programs offered each year are tailored to address the evolving needs of Quinnipiac students.

Council Officers Transitions & Training

To help student leaders serving on the Interfraternity and Panhellenic Councils prepare for their roles and to positively impact their community, the Office of Fraternity & Sorority Life provides them with various interactive training. The Council Officers Transition and Training programs allow students to identify their personal strengths and leadership styles, build relationships with other council members and gain a better understanding of the role they would play during their term. Each officer creates an action plan for the semester, identifies goals for his or her term and is given an opportunity to network with past council officers and fraternity and sorority alumni.

Order of Omega

The Order of Omega is a national honor society that recognizes junior and senior members of the fraternity and sorority community. The fraternity men and sorority women in the Order of Omega have achieved a GPA at or above the all-fraternity/sorority average and have exemplified high standards of leadership, scholarship, service and community engagement. Membership is open each semester by application process and new members are chosen by their peers.

Officer Training Academy

The Office of Fraternity & Sorority Life is committed to providing both leadership and practical skills-based training to all elected leaders of the chapters and governing councils. At the beginning of the new officer term in January, chapter and council officers are required to attend a comprehensive leadership conference that explores topics such as policies and procedures, maximizing membership involvement, organizational branding, accountability techniques, advanced leadership skills, and more. OFSL staff, university faculty and administrators, fraternity/sorority alumni and industry experts develop and facilitate workshops and presentations keeping the Essential Learning Outcomes in mind.

Greek Week Committee

Greek Week is an interactive week of programming held each spring that highlights the Four Pillars of the fraternity and sorority community. The Greek Week committee is led by co-chairs from each governing council and is responsible for planning, designing and executing all Greek Week programs under the advisement of the Office of Fraternity & Sorority Life.

Social Event Manager Training

In partnership with Student Affairs, the Office of Fraternity & Sorority Life offers social event manager training several times each semester. This comprehensive workshop provides training to event coordinators and social event managers of events involving alcohol and seeks to equip participants with the knowledge and skills to create a safe and responsible environment for members and their guests. All students serving as a social event manager at an event involving alcohol are required to attend training prior to serving. Participants increase their skills in risk assessment, event management, alcohol education and bystander response.
