Quinnipiac University's online catalog provides descriptions of courses, majors and minors offered by academic departments and programs, as well as other university-wide information such as the academic calendar, academic regulations, facilities, financial aid and tuition costs. Degree, major and minor requirements specified in the 2023–2024 Catalog are valid for the Class of 2027. Other classes should follow the degree, major and minor requirements specified in the catalog for the year in which they entered Quinnipiac University. For additional questions, please contact the dean’s office for the associated school.

Sustainability Initiatives

We, as members of the Quinnipiac community, strongly believe it is our responsibility to work toward a more environmentally sustainable society. The university utilizes renewable electricity and single-stream recycling. Campus buildings feature energy-efficient heating and cooling units, energy-efficient lighting fixtures, Green Guard carpeting and windows with energy-efficient thermal glazing. Whenever possible, environmentally friendly paper and supplies are used. In fact, the initiative to move to an online catalog was approved in part because of the savings in paper for printed copies.
