Academic Good Standing Policy

Students who have earned credit at Quinnipiac and wish to apply for matriculation into a degree program in the College of Arts and Sciences or the Schools of Business, Computing and Engineering, Communications or Health Sciences should initiate the admission process by filing a “Change of Status” form available from the Office of Transfer and Part-Time Admissions. All appropriate documents required by the university for admission should be sent to the same office. Coursework of Part-Time Undergraduate Studies

To ensure appropriate placement in English courses, all transfer students with only one semester of English transferring in from another school must take the English placement test.

A math placement exam is also required to determine appropriate placement before registering for math courses required in all majors, and a language placement test is required for students continuing in a language from high school.

There is no fee for the placement exams, and arrangements can be made for taking the tests through the appropriate academic department.

Transfer of Credit

Credits for college courses taken at other regionally accredited institutions normally may be transferred if they carry a grade of C or better. Evaluation of University Curriculum transfer credit is completed by the transcript evaluator. Additional credits are reviewed by the school to which the student has transferred. The maximum number of transfer credits that may be accepted by Quinnipiac University is 75 credits. At least one-half of the courses in a major must be taken at Quinnipiac University. Certain majors may request course completion within a five-year period. Official acceptance of transfer credit is completed upon matriculation.

AP and CLEP Exam Policies

Quinnipiac University participates in the Advanced Placement (AP) program and the College Level Examination Program (CLEP), which provides an opportunity for students to obtain credit through examination (credits are accepted as transfer) for AP and CLEP exams taken prior to matriculation at Quinnipiac. Information regarding AP and CLEP exams may be obtained from the Office of Transfer and Part-Time Admissions. Quinnipiac University does not accept CLEP credits earned after a student is matriculated.

Military Credit for Prior Learning

Quinnipiac evaluates military training and experience according to the American Council on Education (ACE) standards for recommended college credit. Veterans and service members may be eligible for college credit based on their military experience, coursework, or other training as documented on their Joint Services Transcript (JST)/Community College of the Air Force (CCAF) transcript. Determination of credit award is based on competencies and approved by school or college dean’s offices. Students must be matriculated at Quinnipiac to earn credit for military experience.

Financial Assistance

Federal Financial Aid Programs
Undergraduate part-time students who have been admitted by Quinnipiac into a degree program and are registered for a minimum of 6 credits each semester are eligible to apply for federal financial aid programs (loans and grants). The Free Application for Federal Student Aid (FAFSA) is available online at studentaid.gov (https://studentaid.gov/h/apply-for-aid/fafsa/). Students taking fewer than 6 credits may be eligible for federal Pell Grants. Contact the Financial Aid Office for information and assistance.

Employer Tuition Benefits
Quinnipiac University works with students to make the most of their employer's educational benefits plan. If your company does not have a formal agreement with Quinnipiac but does offer educational benefits, you can defer two-thirds of your tuition charges. All that is needed is an original employer letter verifying participation in the company tuition reimbursement plan during the semester for which they are registering. At registration, the student pays one-third of the tuition plus fees and signs a promissory note for the tuition balance. The final tuition payments are due five weeks after the last day of the semester, which allows time for tuition reimbursement checks to be issued by the employer. Contact the One Stop office for information.

Payment Plans
Students who do not participate in company tuition reimbursement plans can still set up a tuition payment plan. Plans are offered through TouchNet on an annual semester basis. There is a charge of $75 to enroll. Contact the One Stop office for assistance.
