Academic Good Standing Policy for Undergraduate Students

Students should contact the Office of Transfer and Part-Time Admissions in the admission process, as well as coursework from other institutions. All appropriate documents required by the process by filing a "Change of Status" form available from the Office Communications or Health Sciences should initiate the admission for matriculation into a degree program in the College of Arts and Sciences or the Schools of Business, Computing and Engineering, for non-matriculated students and must contact the admissions office for further information about registration. A student who does not meet the above requirements may not register for registration. Non-matriculated students must contact the registrar's office for further information about registration.

A student who does not meet the above requirements may not register as a non-matriculated student and must contact the admissions office at 203-582-8600 to apply for part-time study and provide official high school and college transcripts. Current non-matriculated students are encouraged to apply for admission/change of status as soon as possible to ensure guidance with course selection and a degree program. No more than 12 credits may be completed by non-matriculated students in the School of Business.

Changing Status—Non-Degree to Degree

Students who have earned credit at Quinnipiac and wish to apply for matriculation into a degree program in the College of Arts and Sciences or the Schools of Business, Computing and Engineering, Communications or Health Sciences should initiate the admission process by filing a "Change of Status" form available from the Office of Part-Time Admissions. All appropriate documents required by the university for admission should be sent to the same office. Coursework already completed at Quinnipiac as a non-degree student is considered in the admission process, as well as coursework from other institutions. Students should contact the Office of Transfer and Part-Time Admissions at 203-582-8600 with any questions.

Academic Good Standing Policy

All part-time students, whether matriculated or non-matriculated, are subject to the Academic Good Standing Policy of the university. See Academic Good Standing Policy for Undergraduate Students (http://catalog.qu.edu/university-policies/academic-good-standing-policy-undergraduate-students/).

Academic Policies

The detailed academic policies that govern all students are found in the undergraduate Student Handbook (http://catalog.qu.edu/handbooks/undergraduate/), Graduate Student Handbook (http://catalog.qu.edu/handbooks/graduate/) and in the policy section of this catalog (http://catalog.qu.edu/university-policies/). Below are the basic academic policies that govern part-time students.

Placement Tests

To ensure appropriate placement in English courses, all transfer students with only one semester of English transferring in from another school must take the English placement test.

A math placement exam is also required to determine appropriate placement before registering for math courses required in all majors, and a language placement test is required for students continuing in a language from high school.

There is no fee for the placement exams, and arrangements can be made for taking the tests through the appropriate academic department.

Transfer of Credit

Credits for college courses taken at other regionally accredited institutions normally may be transferred if they carry a grade of C or better. Evaluation of University Curriculum transfer credit is completed by the transcript evaluator. Additional credits are reviewed by the school to which the student has transferred. The maximum number of transfer credits that may be accepted by Quinnipiac University is 75 credits. At least one-half of the courses in a major must be taken at Quinnipiac University.

Students enrolled in the online degree-completion programs (https://www.qu.edu/academics/about-our-programs/degree-completion-programs/) should review the program pages on the website for program-specific transfer credit policies. Certain majors may request course completion within a five-year period. Official acceptance of transfer credit is completed upon matriculation.

AP, IB and CLEP Exam Policies

Quinnipiac University participates in the Advanced Placement (AP) program, the International Baccalaureate (IB) program and the College Level Examination Program (CLEP), which provides an opportunity for students to obtain credit through examination (credits are accepted as transfer) for AP, IB and CLEP exams taken prior to matriculation at Quinnipiac. See the Advanced Standing/Credit Policy (https://catalog.qu.edu/general-information/admissions/advanced-standing-placement/) for more information. Quinnipiac University does not accept CLEP credits earned after a student is matriculated.

Military Credit for Prior Learning

Quinnipiac evaluates military training and experience according to the American Council on Education (ACE) standards for recommended college credit. Veterans and service members may be eligible for college credit based on their military experience, coursework, or other training as documented on their Joint Services Transcript (JST), Community College of the Air Force (CCAF) transcript. Determination of credit award is based on competencies and approved by school or college...
Applications for admission may be obtained from the Part-Time Admissions at Engineering or Health Sciences should contact the Office of Transfer and after an absence, or considering transferring to the College of Arts and Adult students starting college for the first time, returning to school Part-Time Admission Procedures catalog.qu.edu/arts-sciences/ catalog.qu.edu/engineering/ catalog.qu.edu/communications/ Business on these programs can be found in the sections for the Schools of Health Science Studies and Medical Microbiology/Immunology. programs offered by the School of Health Sciences: Biomedical Sciences, time students may only enroll in the following bachelor's degree by the College of Arts and Sciences, School of Business, School of Part-time students may enroll in the bachelor's degree programs offered by the School of Health Sciences: Biomedical Sciences, Health Science Studies and Medical Microbiology/Immunology. While some evening courses may be available, most degree programs cannot be completed solely through evening work.
