

MINOR IN SPANISH

Program Contact: Aileen Dever (Aileen.Dever@qu.edu) 203-582-8500

Spanish is the official language of 21 countries and territories, and is spoken by nearly half a billion people. Acquiring proficiency in Spanish can be a valuable asset in many fields, from business and education to government and healthcare.

Students have the flexibility to shape their Spanish Minor by choosing electives that explore an exciting range of topics from pre-Columbian civilizations to contemporary Latinx writers. It's also possible to study away in Spain or throughout Latin America. Some students may select a semester program and others a J-term experience or an intensive summer immersion. Whether students complete this Minor in the classroom or by including study away, they will expand their intellectual horizons in new and wonderful ways.

The Spanish Minor consists of six courses (18 credits) with at least two of the six courses at the 300 level. At least 9 credits must be taken on campus. In addition to 3-credit courses, students may also choose to take 3 micro-courses of 1 credit each. Spanish Minors who would like to apply for entrance into *Sigma Delta Pi*, the National Spanish Honor Society, should take at least one culture or literature course.
